Dear Dr. Ogwu,

Re: Request for Approval of Honour

We are writing to request your approval to confer an honour on you in recognition of your outstanding contributions to youth development, empowerment, peacekeeping, and philosophical activities in the Niger Delta. A 15-man delegation from the Green Assembly Initiative will be paying you a visit on May 16, 2025, in Lagos to formally present this honour.

Your tireless efforts in empowering youths and promoting community development have not gone unnoticed. Your leadership and vision in initiatives that foster peace and progress in the Niger Delta region are truly commendable. We believe that this honour is a fitting tribute to your dedication and service.

We will be accompanied by a media contingent comprising about 6 reputable media stations, who will cover the event and ensure that your achievements receive the recognition they deserve. This will provide an opportunity for your work to be showcased to a wider audience.

As a foremost proponent of youth empowerment, Green Assembly Initiative remains steadfastly committed to fostering a conducive platform for constructive discourse on nation-building, security, and solidarity; constantly championing, personal and professional growth of the youth demography.

We would be grateful if you could respond to this request at your earliest convenience.

Thank you for your time and consideration.

Yours sincerely,

Comrade Duke Alamboye K.
